1ºPERIOD      2ºPERIOD

15-05-2017    11-09-2017

11-06-2017    22-09-2017

TIME SCHEDULE: 09:00 – 18:00

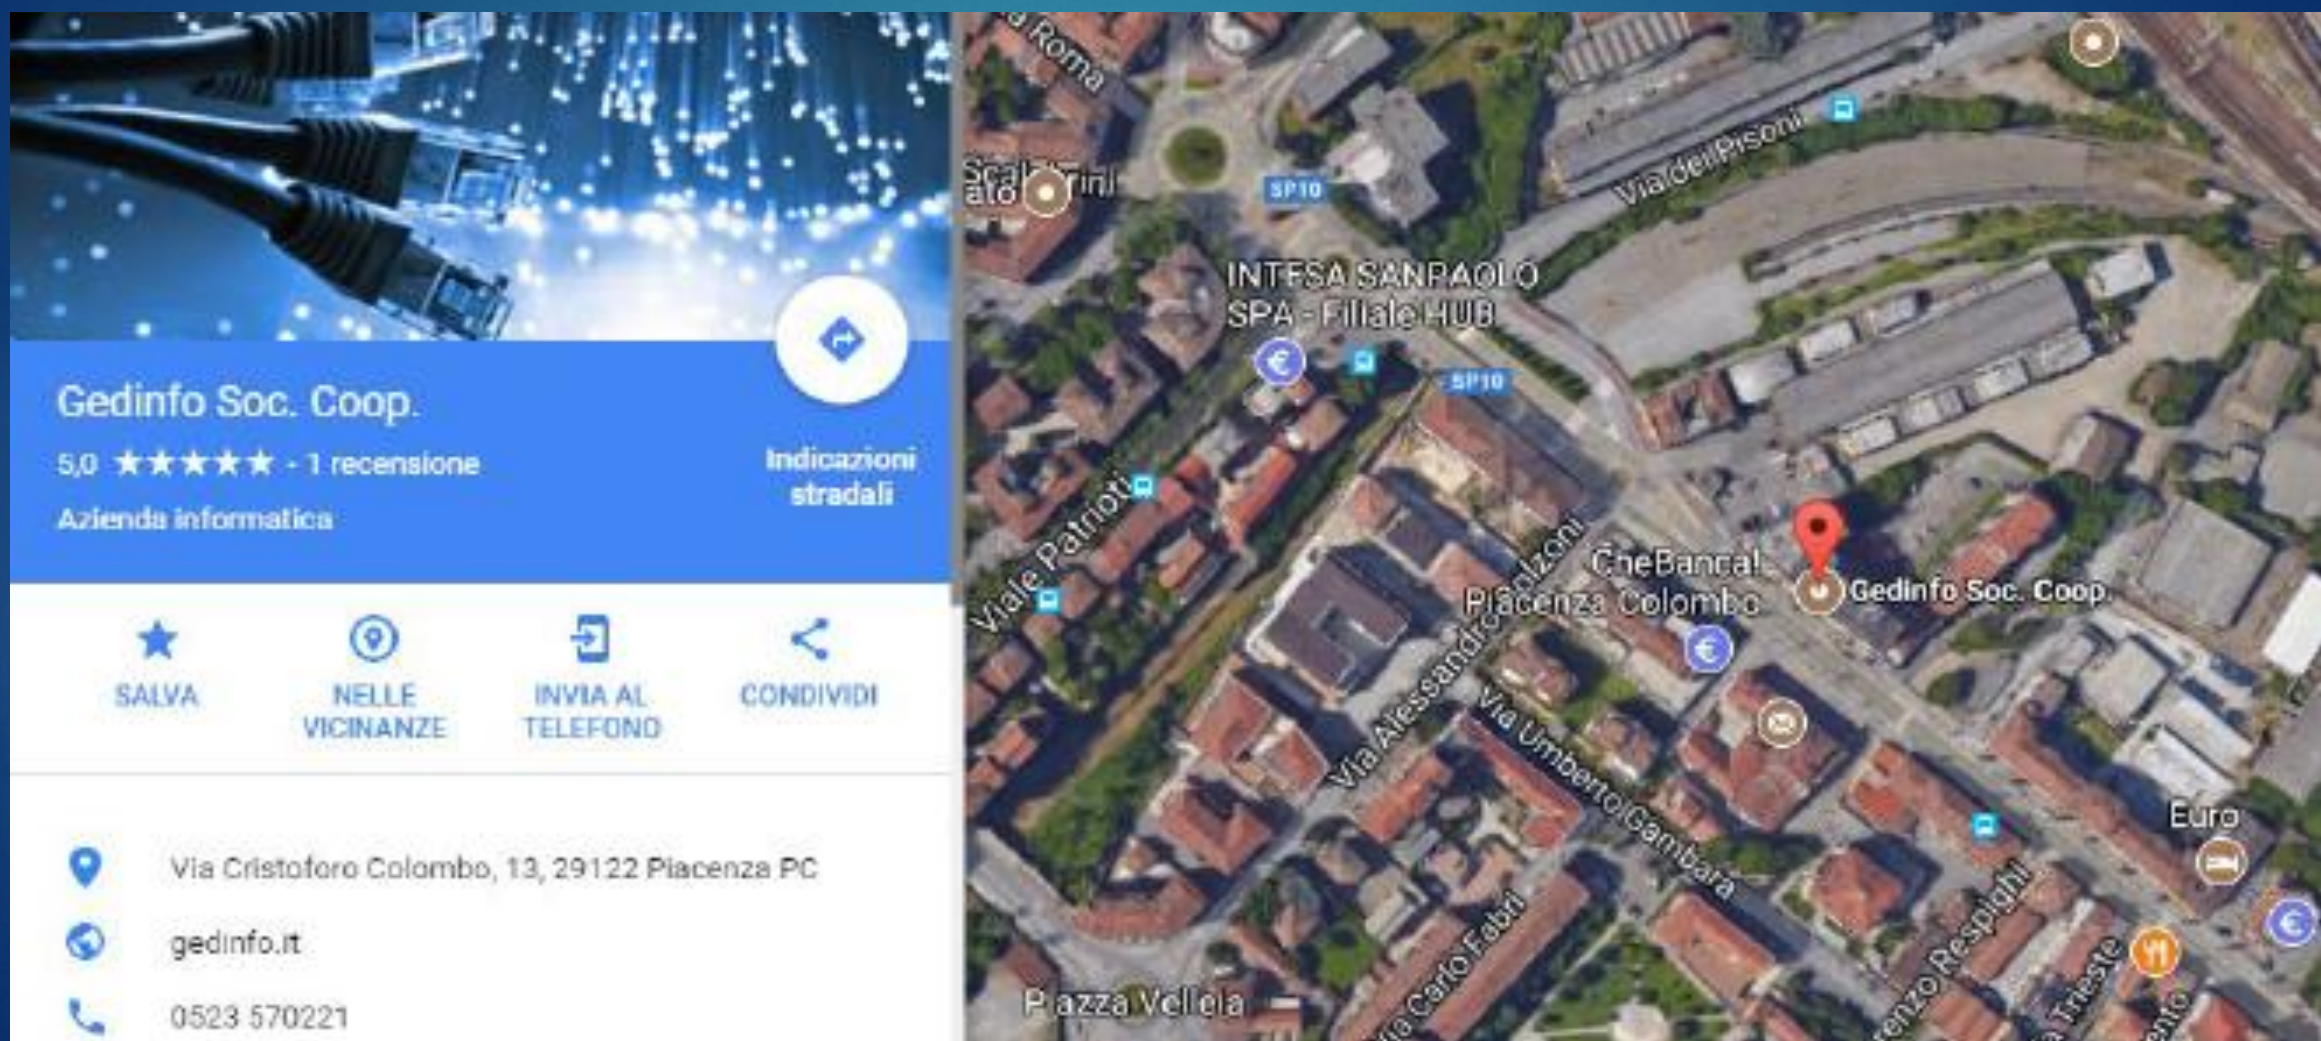

# GeDInfo

Gestione Delle Informazioni

GeDInfo is an informatic company that offers informatic services.

# Wordpress,Plugins and search via Chrome

Web site creation tools → WordPress and its Plugins

What is a Plugin?

It's a non autonomous program that interacts with another program for extend its original features.

Search ability increased → Chrome

powered by Google

# My first experience

Difficult to integrate myself into the company

Relation with Company Tutor's and job's request

# My work and tasks

Different tasks required different time  
because they could be more or less complex

Respect the working times

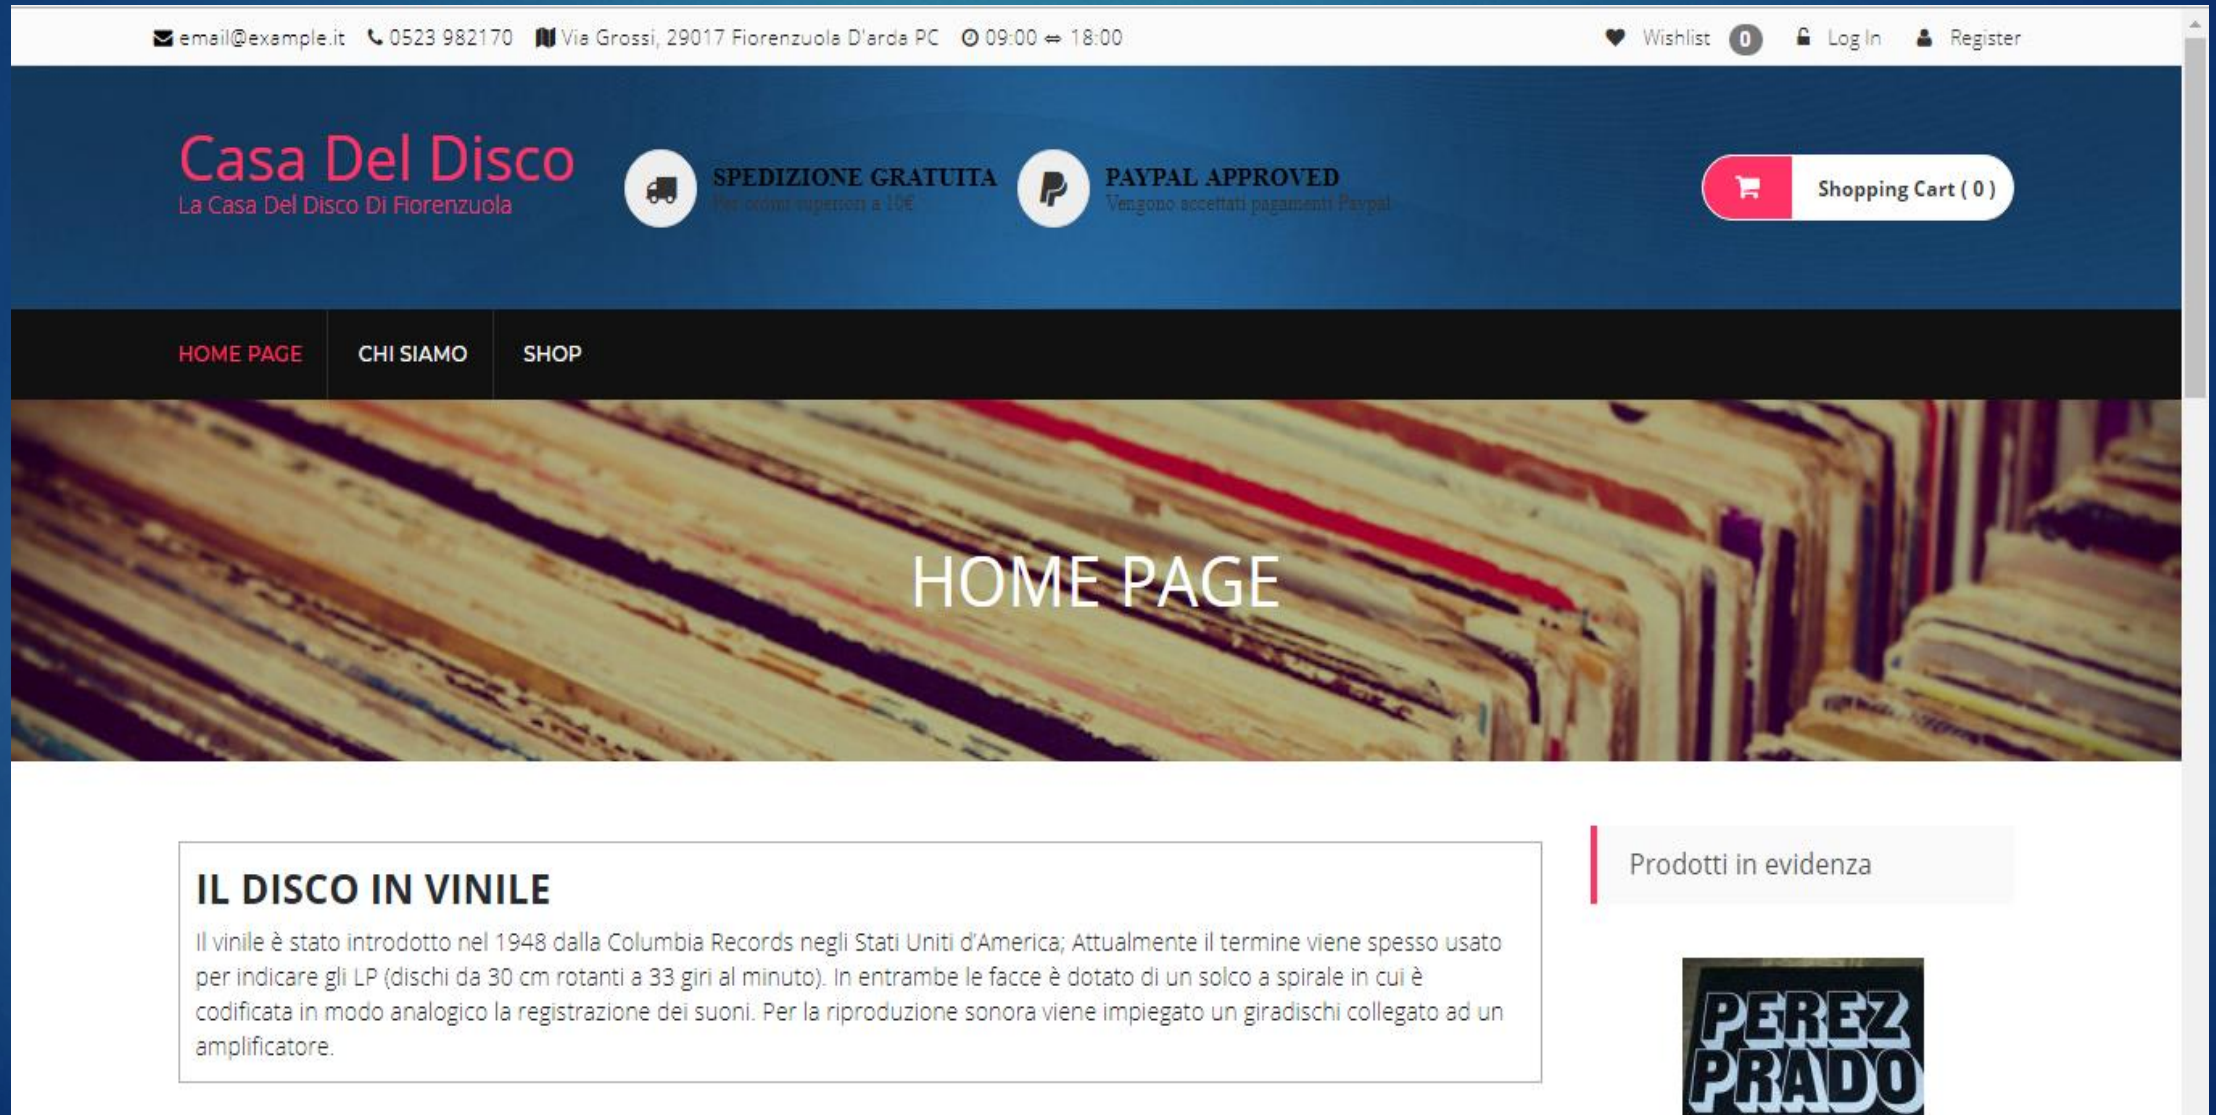

Evaluation of work  
by my tutors

# La Casa del disco

My first integral website was  
“La Casa del disco”, an eShop that  
sells Vinyls

# Other Project

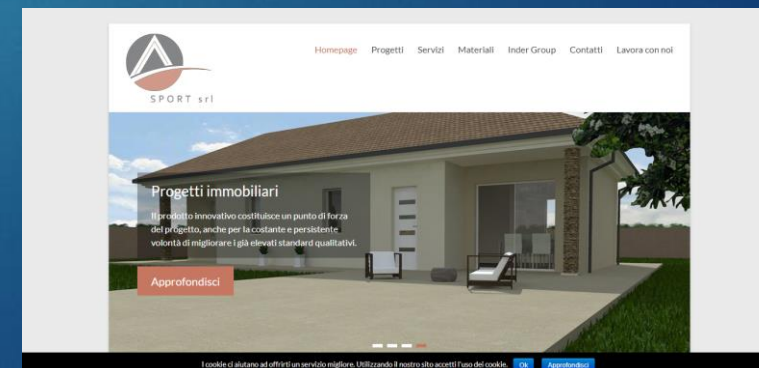

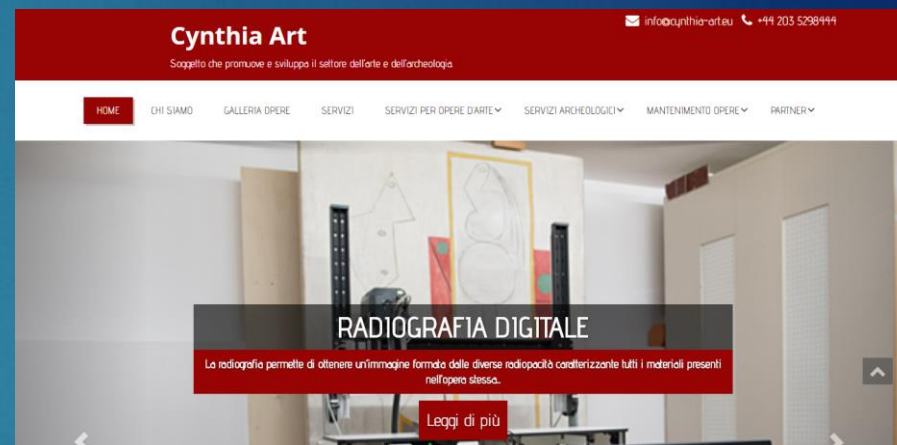

<https://www.web-sport.it>

<https://www.prodigy-group.net>

<https://www.cynthia-art.eu>

<https://www.phiart.eu>

<http://www.ordinearchitetti.piacenza.it>

Project a completely autonomous web site

# Conclusion

Complete and very instructive
